

Huntr/x Quest - Keywords

Keyword	Used By/Inflicted By	Type of Keyword	Description
Adjacent	Enemies, Heroes	Rule	A unit is considered Adjacent when it is in the immediate squares above, below, or to the left or right of you. Not diagonal.
Afraid	Enemies, Heroes	Status	Attacks and Abilities are reduced to one combat dice
Agile	Enemies, Heroes	Ability	May move through hindering terrain, furniture, and enemies
Brutal Charge	Enemies	Ability	2 extra AD for attack if unit moved 2 squares in a straight line in order to make the attack
Clever Tactician	Enemies	Ability	Rolls 1 extra AD vs. a hero adjacent or diagonal to another monster.
Controlled	Enemies	Status	Unit is controlled by the opposing force on the turn of whoever inflicted the mind control, and no longer gets their own turn
Damage Limit (X)	Enemies	Ability	The damage from any single source is capped at X
Damage Minimum (X)	Enemies	Ability	In order to deal damage, a source of damage must deal at least X damage
Damage Negation (X)	Enemies	Ability	The first X damage from any single source is negated
Diagonal	Enemies, Heroes	Rule	A unit is considered Diagonal to you when it is in the immediate squares to your upper left, upper right, lower left, or lower right. Without ranged attacks or Reach weapons, you generally cannot attack in these directions.
Drain	Enemies	Ability	Heroes take 1BP of damage if adjacent at the end of their turn
Embolden (X)	Enemies	Ability	Nearest unit that can attack a player immediately gets to do so, outside of its normal turn
Encouraged (X)	Enemies	Status	Unit may roll X extra attack dice
Encumbered	Enemies, Heroes	Status	Unit can only move at half its normal speed, and cannot Run.
Entangling Roots	Enemies	Ability	Heroes entering a square adjacent to this monster end their move immediately.
Enveloped	Enemies	Status	Unit cannot take turns
Ethereal	Enemies	Ability	May move through heroes, walls, and solid objects. Only damaged by non-artifacts and spells with a black skull.
Guard	Enemies, Heroes	Ability	Unit blocks any incoming damage that it would receive this turn (flip unit on its stomach to indicate this status)
Hit and Run	Enemies	Ability	May split their movement before and after an action.
Hug Attack	Enemies	Ability	When damaging a hero, grabs them and both the monster and hero become Enveloped. Hug inflicts 2BP on each of Zargon's turns. Ends when one of the two dies or rolls a black shield with their attack dice on their turn.
Immobilized	Enemies, Heroes	Status	The unit cannot move
Intangible	Enemies, Heroes	Status	The unit can neither attack/use spells/use abilities nor be attacked.
Intimidate	Enemies	Ability	Target must succeed in a Contested Mind Check or they cannot attack on their next turn (flip unit on its back to indicate this status)
Multi-Attack (X)	Enemies	Ability	Attacks (X) times
Paralyzed	Enemies, Heroes	Status	Unit cannot move, attack, or defend itself
Ranged	Enemies	Ability	Can attack unblocked enemies in line of sight, but only deals 1 attack dice vs. adjacent targets.
Reach	Enemies	Ability	Able to attack diagonally
Recharge	Enemies	Ability	Unit regains any chaos spells that have been exhausted
Shielded (X)	Enemies	Status	Unit may roll X extra defense dice
Shove	Enemies	Ability	Can displace other units (move the unit being displaced to this unit's prior position) in order to reach target.
Slippery Step	Enemies	Ability	Use action + move to move through obstacles and players.
Spawn	Enemies	Ability	At the end of each hero's turn: (1) Create a new spawnling on an unoccupied, adjacent square, OR (2) Move all active spawnlings of its type
Standard Attack	Heroes	Rule	A Standard Attack is one whose properties are defined on your Character Sheet, and may include Upgrades that modify it further. An attack is not considered a Standard Attack unless you are using your Attack action, or the ability causing the attack explicitly says it is a Standard Attack.
Steal	Enemies	Ability	Instead of attacking, may steal an item, or an item not being held. Escapes once out of sight. (prioritizes stealing from nearest player and escaping instead of normal enemy rules of engagement)
Taunted	Heroes	Status	(Enemies only) They must target the unit taunting them, if possible.
Teleport	Enemies, Heroes	Ability	Unit uses its action + move to instantly appear in a spot adjacent to its target
Terrified	Enemies, Heroes	Status	The unit cannot attack or use abilities/spells
Undying	Enemies	Ability	At the end of the round, roll a movement dice. Rolling 3-4 revives at 1BP, rolling 5-6 revives at full health
Venomous	Enemies	Ability	Heroes that take damage are Immobilized. Ended at once on 5 or 6 on 1 movement die. Effect ends at the end of their next turn.
